

2018 SPRING TOUR

PHOTO GUIDELINES

As a Thank You for supporting Florida State Athletics, we are offering 2018 Seminole Booster members a photo opportunity with FSU Football Head Coach Willie Taggart.

We will have a professional photographer on hand to snap your picture, and you will receive a complimentary digital download of your photo following the event. You will also have the option to purchase prints onsite to take home with you.

Due to time constraints and in an effort to allow as many Seminole Booster members the opportunity to interact with Coach Taggart as possible, we request the following:

- No personal (cell phone) photographs with Coach Taggart in the photo line.
- No autographs in the photo line for Coach Taggart.
- Limit one picture with Coach Taggart per family.

Please note that each photo session will last as long as time permits.

Seminole Booster members who have registered to attend a spring tour stop will receive a "fast pass" email the day before the event. Simply bring this with you or show it on your phone for entry into the photograph line. Staff members will be on hand should you need any assistance.

If you are not yet a member of Seminole Boosters, you can learn more about who we are and what we do at Boosters.fsu.edu. Should you wish to join today, you may do so at the Seminole Booster table.

We thank you for your support of Seminole athletics. GO NOLES!
