Payment of a Per Person Travel Protection Plan Fee guarantees a full refund of all payments (including deposit), except the Travel Protection Plan Fee itself, made to Collette for travel arrangements in case of cancellation of your travel plans for any reason prior to the day of departure. The Travel Protection Plan Fee with Air only covers airline tickets you have purchased from Collette. Exception: If you originally purchased non-refundable airline tickets, the Travel Protection Plan does not provide a refund for the airline tickets, taxes or fees, in the event of cancellation. This air ticket is covered by Collette's travel protection plan under Part B, if you cancel your trip for covered reasons (see Part B for more details). The Travel Protection Plan Fee does not cover any single supplement charges which arise from an individual's traveling companion electing to cancel for any reason prior to departure. However, the Part B travel insurance includes a single supplement benefit of \$1,000 for certain covered reasons as detailed in Part B. In this case, the single supplement will be deducted from the refund of the person who cancels. Division of this charge between the two passengers involved is solely their responsibility. If insufficient funds are deducted from the canceling client, the traveling client will be charged the remaining portion of the single supplement. Cancellation waiver protects you from penalties in the event you have a need to cancel your entire inclusive tour package up to the day prior to departure. Cancellation waiver does not indemnify you from penalties if you chose to cancel partial tour components or air. If you chose to partially cancel your vacation, you will be responsible for a revision fee as well as any penalties that are incurred at the time of the cancellation. Upon cancellation of transportation or travel services where you, the customer, are not at fault and have not canceled in violation of the terms and conditions above, you will be refunded 100%. Please see your sales agent for more information, or review our brochure for details.

Experience It! The Flamenco

"El cante," "el baile," and "la guitarra." Combine the three into one romantic tour de force, and you have the essence of the flamenco...the song, the dance and the guitar. The flamenco's roots began in southern Spain as a 17th-century art form created by Andalusian gypsies. Similar to the blues that originated in America's Deep South, the "cante," or song, was a way for the gypsies to express their sorrow and repression. They sang their lyrics in the dark mines where they worked, using verse to help ease each other's personal grief. As the 18th century approached, the gypsies gained more legal rights and many were able to purchase musical instruments. Soon the "guitarra," or guitar, was added to their repertoire. The "baile," or dance, quickly followed — and like any great art form, the flamenco took off. Soon performances in more mainstream venues like local cafés and dance halls combined with old-fashioned commercialism to make the flamenco the national dance of Spain.

Please Note:

To complete your tour, we include roundtrip airport-to-hotel transfers when purchasing Collette airfare with your tour. If you have arranged for your own air, we are pleased to provide you the option of *purchasing* these transfers. Please note that all transfers will leave at prescheduled times.

Single accommodations are limited and are available on a first come, first served basis.

Hotel check-in on your day of arrival is 3:00 p.m. Rooms may not be available prior to that time.

*At times, without advance notice, the Royal Palace in Madrid may be closed due to official government business. When this happens, the Royal Palace will be substituted with a visit to the Prado Museum or the Modern Art Museum.

**On select departure dates, the visit to the Lladro City Complex will take place the previous day. Please note that this facility is closed on national holidays.

This tour includes moderate physical activity. The itinerary blends some longer days with shorter days and more leisure time. Walking tours, as well as walking slightly longer

distances, up stairs or on uneven walking surfaces should be expected.

The walking tours of Toledo (day 3) and the Alhambra (day 6) are considered to be more strenuous in nature due to the uneven walkways, number of steps and some uphill walks that are required in order to see the historic sights.

Please be advised many airlines do not provide advance seat assignments until check-in at the airport. Advance seating will be subject to the airline's terms and conditions.

Economy air rate and schedule are applicable for groups of 10 or more traveling on the same flights and dates.
